

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 14, 1996

SUBJECT: **SB 2238 - HB 2532**

This bill, if enacted, exempts from the \$200 professional fee any medical professional who certifies in an affidavit to the regulatory board that such person performed at least 24 hours of volunteer medical services during the tax year on-site at a not-for-profit volunteer outpatient health care clinic as part of a program of organizational and scheduled volunteer services by health care professionals. The bill applies only in counties with more than 77,000 persons and provides that the exemption will be available to not more than the first 400 medical professionals who present the proper affidavit after the effective date of the bill.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures of \$9,000 to the Department of Revenue to make computer system modifications.

The fiscal impact from enactment of this bill is also estimated to be a decrease in first year state revenues of \$80,000 which assumes 400 medical professionals being exempt from the \$200 professional fee.
